Description

Bismillahi wal Hamdullillah Was Salaatu Was Salaamu â∏ Alaa Rasoolillahi

Ammaa Baâ∏ d:

It has come to my attention that the following <u>post</u> had an error in its translation. The original translation had the word $\emptyset'\emptyset^1\emptyset \pm$ (Hair) in it, i did not notice that the word used was the very similar $\emptyset'\emptyset^1\emptyset\S\emptyset \pm$ (meaning here \hat{a}_{\square} his garment \hat{a}_{\square} as Imaam Manaawi points out) so I hasten to make the correction here. Please see the note towards the end of the post.
