In addition to the many benefits fasting has in relation to the development of taqwa and suppressing the desires of the fasting person, fasting also has another benefit mentioned in the following authentic hadith:
Upon the authority of a man from the companions of the prophet $(\ddot{\imath}\cdot^{\varrho})$ who said: $\hat{a} \square I$ heard the Messenger of Allah $(\ddot{\imath}\cdot^{\varrho})$ say:
^= =
$\hat{a} \coprod$ Fasting the month of patience (Ramadhan) and three days of each month removes $\hat{a} \coprod$ Wahar $\hat{a} \coprod$ from the chests $\hat{a} \coprod$
removes â  Waharâ from the chests â   (Collected by Abdur RazÄ q in his â Musanaf and Ibn saâ din his â TabaqÄ tâ and ImÄ m Ahmad in his Musnad and was declared â SahÄ≪hâ by Shk AlbÄ

∧   N/	It (wahar) is deceit, hatred, malice and	-l:∧□≏□□

AL MAHAHMI HICHCINGS, ALL	it ( <b>Wallal</b> ) is accelt, flatica, flialice all	3 WISWALL SULL

Thus we see that from the benefits of fasting is that it removes and purges the chest from those things that affect its tranquility including the wiswÄ□ s of the shayÄ□ tÄ«n

As Allah, The Most High, mentions: â ... it may be that you dislike a thing which is good for you, and that you like a thing which is bad for you. Allah knows and you do not knowâ (Suratul Baqarah: Vs 216)
