

Hadith on the Islamic Understanding of Thunder

Description

Bismillahi Wal Hamdullillah Was Salaatu Was Salaamu â□□ Alaa Rasoolillahi

Ammaa Baâ□□ d:

Imaam At tirmidhi mentions his chain of narration going back to Ibn Abaas â□□ Radhiyallahu â□□ Anhumaa who said: â□□ The Jews came to the Messenger of Allah and they said â□□ *Oh Abal Qaassim! Inform us about thunder what is it?* He replied:

â□□ ***An Angel from the angels who is responsible for the clouds, he has with him bolts of fire that he drives the clouds with wherever he wills***â□□ so they said: â□□ *So what is this noise we hear (i.e. thunder*)? He replied: â□□ ***It is him rebuking them as he drives them, so as to cause them to arrive at the goal he intends (for them)***â□□ (in a variant version it mentions that his response was: â□□ ***It is his voice***â□□) so they responded: â□□ You have spoken the truth!..â□□

(Collected by Imaamut Tirmidhi in his â□□ Sunanâ□□ and declared Saheehâ□□ in â□□ Saheeh Sunanit Tirmidhi (2492))
